ASSAM PRESS RELEASE

FOR THE JENIN MASSACRE CARRIED OUT BY THE ISRAELI OCCUPYING FORCES IN PALESTINE

We strongly condemn the massacre carried out by the Israeli occupying forces in Jenin, located in the northern part of Palestine's West Bank, which killed 9 people and injured 20 people, 4 of them seriously, by using live rounds.

We are concerned about the escalating tension in the West Bank and the casualties that occur almost every day. The Israeli government must urgently abandon such attacks and provocations that lead to the deaths of civilians.

We send our condolences to our deceased brothers and sisters.
